A Set of MAPS OF COUNTIES
in ENGLAND & WALES:
to which are pref'd the following
general Maps, viz.

- I. An Accurate Chart of the Sea Coast, exhibiting all the Royal Docks, Fortifications, Harbours, Sands &c.
- II. A Map of England and Wales, as divided into Counties, with the Names of the Cities and County-Towns; and the Length, Breadth, and Superficial Content of the Whole, and each County separately.
- III. A Map of the great Roads from London, to all parts of South Britain; with Tables shewing the distance of each City, and Town upon the Roads, from the Metropolis, both in Computed and Measured Miles.
- IV. A Map of all the Cross Roads, from one great Town to another, with the distances from Town to Town, both by Computation and Measure.
- V. A Map of all the Cities, Boroughs, Market Towns, Parishes, and Rivers therein: With the particular Map of each County, is an Account of all the Cities, Boroughs, Market Towns, Parishes, and Rivers therein: The Number of Members it sends to Parliament, the Market and Fair days, and in those of Oxford and Cambridge, are the Names of all the Colleges, and Halls, in both Universities, with the Dates of their Foundations.

To the Whole

is added an Alphabetical Index, of all the Cities, Boroughs, & Market Towns, properly distinguished from each other, and in what County they are situate.

This Collection (conveying a more comprehensive Idea of South Britain than any thing hitherto published) was first Drawn, and compiled into a Pocket Book, by Order and for the Use of his late Majesty KING GEORGE I.
By Thomas Bowes Surveyor and Engineer, and now nearly Engraved by Wm. Henry Tofts.

Printed for and Sold by W. Tofts Engraver in Union Court near Stutton Garden, Holborn. 1742.

Price in Sheets £5. Bound £6. & Coloured £12.

Where is made & sold the best transparent paper for taking off Drawings or Prints, that was ever made, so transparent that the minutest stroke may be seen thereon, it may be used on the most valuable Drawings, any time after they are printed. It is made very strong & durable. Drawings & Prints on it are easily washed out with water, and a Paper of the kind may be continually used. Like white meall Ground, it takes up sugar &c.

To his Royal Highness,
Frederick Prince of Wales &c. &c.
