In the original publication of this manuscript [Moreno-García E, Puerta-Alcalde E, Gariup G et al. Early Stepdown From Echinocandin to Fluconazole Treatment in Candidemia: A Post Hoc Analysis of Three Cohort Studies. *Open Forum Infect Dis*, Volume 8, Issue 6, June 2021. <https://doi.org/10.1093/ofid/ofab250>], the financial support section was incomplete and updated to read as follows: "This research forms part of an activity that has received funding from EIT Health. EIT Health is supported by the European Institute of Innovation and Technology (EIT), a body of the European Union that receives

support from the European Union's Horizon 2020 Research and Innovation Program. This study has been co-funded by the European Regional Development Fund (ERDF, "A way to make Europe"). EM-G [PI18/01061], PP-A ["Juan Rodés" contract JR20/00012 and PI21/00498], MF-R ["Miguel Servet" contract CP18/00073], and CG-V [FIS PI15/00744] have received research grants from the Ministerio de Sanidad y Consumo, Instituto de Salud Carlos III. No funding bodies had any role in study design, data collection and analysis, decision to publish, or preparation of the manuscript."

<sup>a</sup>E. M.-G. and P. P.-A. contributed equally to this work.
