

Appendix B. Personal memories interview (translated from Spanish)

Identification data:

Name _____ Age _____

Education _____ Sex _____

Occupation _____ .

This interview is to obtain data for a study on autobiographical memory, we are interested in knowing how and what people remember. Therefore, you will be asked to narrate some memories related to your personal life from childhood, adolescence, and present age. The information you provide us will be recorded, confidential and will only be used for study purposes.

Instructions:

Next, I am going to ask you to tell me some memories that you consider important in each period of your life.

Try to remember as many details as possible (how old you were, where you were, what people were present, what you felt, what happened) in each of your memories and narrate them as completely as possible.

1. I am going to ask you to tell me all the details of your first childhood memory.
2. Tell me three important memories from your childhood.
3. Tell me three important memories that happened in your adolescence.
4. Tell me three important memories from your current life.

Thank you for your participation.
