

## **The privilege for the City Pharmacy in Kolobrzeg in 1658 year.**

Jadwiga Brzezinska

The mentioned privilege for the City Pharmacy in Kolobrzeg was given by the Elector of Brandenburg Fryderick Wilhelm on 2nd May 1658 year, and was probably edited by Baltazar von Guldenklee, who at the same time held a post as a city physician in Kolobrzeg and the court medical doctor of the elector.

This document was examined in two aspects. Firstly, as a legal act permitting the reactivation of the City Pharmacy and defining its structure, and secondly, as the document establishing the requirements concerning its functioning.

The privilege for the City Pharmacy in Kolobrzeg of 1658 year because of its wide and interesting contents is of great importance for enrichment of our knowledge of the old days of pharmacy.
