NOTA PREVIA

El *Anexo I* incluye las fichas de análisis del corpus completo. Las variables y categorías siguen la nomenclatura que se establece en el apartado 3.3.1 *Análisis de contenido* (dentro de 3.3 *Diseño instrumental de la investigación*, en el *Capítulo III*).

Las fichas se recogen en su totalidad, a excepción del punto *F. Comentarios*, pues se trata de una variable de respuesta abierta, solo para unidades que requieren una apreciación extra. Estas apreciaciones han sido tratadas con amplitud en 4.1.1 *Informe del análisis de contenido* (*Capítulo IV*); por lo que no se ha considerado necesario incluirlas, repetidamente, en el *Anexo I*.
