Dear Colleague

Thank you for your message and please excuse me for the delay answering to you.

As a normal policy Green Lines always authorises that kind of publication - please feel free to so; our only request is that you please mention the original publication with us.

Good Morning;

I am Pablo Millán, author of several articles, from the Heritage 2016 and Heritage 2017 conferences.

I want to publish both articles on the platform of the University of Seville, but in order to do so, they ask for your permission.

Please tell me how to apply for this permit.

Regards,

Pablo Millán.
